

October Monthly Report 09-01-03 to 09-30-03

- It is the committee's understanding that memo schedules were only created for the year end report to cover the entire second half of 2003

-Best Efforts: The committee has used best efforts in trying to obtain missing information .

1. Our original solicitation includes a clear and conspicuous request for the information
2. Our original solicitation informs contributors of the federal law requirements.
3. We made a follow-up, stand alone effort to obtain any missing information

We have support of our attempts and a copy of our original solicitation on file.

- No one spent more than 25 percent of their time during the month on Federal Election Activities
